UPWARD Begins 7th Season

We had our first games on Friday, January 20th at 2 locations for the first time! We have grown to 275 children, which means we again are partnering with Highland Presbyterian and playing games at 2 locations simultaneously! We play 2 games on Friday nights at Highland and FUMC. We play from 8:30-2:00 at Highland and 8:30-4:00 at Fumc on Saturdays. That's 16 games, 32 teams and 275 kids and families that are being reached through the awesome ministry that we have the privilege of leading. Having more games at Highland means more volunteers needed to make Upward the best it can be, even at another location.

There are plenty of serving opportunities that do not require basketball skills. If you have the gift of hospitality, you can serve up hotdogs at the concession stand. If you enjoy being in front of a crowd, you can engage families with exciting half-time activities, provided to you by Upward. If you enjoy roaming the halls looking to prevent trouble, we NEED YOU, too. If you would like to help out in an incredible outreach ministry, please contact Michelle Blazic at kmbblazic@hotmail.com. Thank you!
